BARN &
PARKING

OVERVIEW

Nestled on a hillside with open views across rolling countryside, High Above Park is a rare opportunity to purchase a traditional detached Cumbrian farmhouse which still retains character and charm. Having been owned by the same family for 50 years, the property is now ready for the next family to call it their home. It lies just outside the Lake District National Park, has superfast B4RN broadband and good access to the Westcoast Main Line. With 7 acres of land and a barn ripe for development, the possibilities are endless. Perfect for creating a work/life balance and lifestyle change many only dream of, High Above Park could be your next home.

LOCATION

Perfectly positioned for exploring the surrounding countryside, Longsleddale, Potter Fell and Whiteside Pike are all reachable on foot from the back door. The property is close to the Lake District National Park – a UNESCO World Heritage site and the Yorkshire Dales National Park just a short drive away. Supermarkets, secondary schools and amenities are just 5 miles away at Kendal and the Westcoast Mainline connecting Glasgow and London Euston departs from Oxenholme – a further mile away. There is a nearby primary school at Selside (Ofsted rated Good) and a Church and community hall plus excellent road links via the A6 to both north and south junctions of the M6.
